

The Committee will consider an application by a business for grants on behalf of its related members only if the related members for whom the application is submitted have assigned to the business any claim of right the related members may have under this Part to apply for grants individually during the term of the agreement and have agreed to cooperate with the business in providing to the Committee all the information required for the initial application and the agreement, and any other information the Committee may require for the purposes of this Part. The applicant business is responsible for providing to the Committee all the information required under this Part.

If a business applies for a grant on behalf of its related members, the related members included in the application may be permitted to meet the qualifications for a grant collectively by participating in a project that meets the requirements of this Part. The amount of a grant may be calculated under the terms of this Part as if the related members were all collectively one business entity. Any conditions for a grant, other than the number of eligible positions created, apply to each related member who is listed in the application as participating in the project. The grants awarded shall be paid to the applicant business. A grant received under this Part by a business may be apportioned to the related members in a manner determined by the business. In order for an agreement to be executed, each related member included in the application must sign the agreement and agree to abide by its terms.

(b) Application Fee. - When filing an application under this section, the business must pay the Committee a fee of five thousand dollars (\$5,000). The fee is due at the time the application is filed. The Secretary of Commerce, the Secretary of Revenue, and the Director of the Office of State Budget and Management shall determine the allocation of the fee imposed by this section among their agencies. The proceeds of the fee are receipts of the agency to which they are credited.

(c) Annual Reports. - The Committee shall publish a report on the Job Development Investment Grant Program on or before April 30 of each year. The report shall include the following:

- (1) A listing of each community economic development agreement negotiated and entered into during the preceding calendar year, including the name of the business, the cost/benefit analysis conducted by the Committee during the application process, a description of the project, the term of the agreement, the percentage used to determine the amount of the grant, and the amount of the grant made under the agreement during that year.
- (2) An update on the status of projects under agreements entered into before the preceding calendar year.
